Note Regarding Forward-Looking Statements: Statements in this Press Release may constitute "forward-looking statements" under the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, that address activities, events or developments that we expect, believe or anticipate will or may occur in the future, including statements about expected future results, expected benefits from our investment and strategic plans, and expected future margins, are forward-looking statements. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those anticipated by these forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The inclusion of any statement in this release does not constitute an admission by MSC or any other person that the events or circumstances described in such statement are material. Factors that could cause actual results to differ materially from those in forward-looking statements include: problems with successfully integrating acquired operations, unanticipated delays or costs associated with opening or expanding our customer fulfillment centers, current economic, political and social conditions, changing customer and product mixes, financial restrictions on outstanding borrowings, industry consolidation, the loss of key suppliers or supply chain disruptions, competition, general economic conditions in the markets in which we operate, volatility in commodity and energy prices, credit risk of our customers, risk of cancellation or rescheduling of orders, work stoppages or other business interruptions (including those due to extreme weather conditions) at transportation centers or shipping ports, the risk of war, terrorism and similar hostilities, dependence on our information systems and the risk of business disruptions arising from changes to our information systems, disruptions due to computer system or network failures, computer viruses, physical or electronics break-ins and cyber-attacks, dependence on key personnel, goodwill and intangible assets recorded as a result of our acquisitions could be impaired, disclosing our use of "conflict minerals" in certain of the products we distribute could raise reputational and other risks, and the outcome of potential government or regulatory proceedings or future litigation relating to pending or future claims, inquiries or audits. Additional information concerning these and other risks is described under "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the reports on Forms 10-K and 10-Q that we file with the U.S. Securities and Exchange Commission. We assume no obligation to update any of these forward-looking statements.
