

IDG Insider Pro and Computerworld Name MSC Industrial Supply Co. to List of 100 Best Places to Work in IT for Fourth Consecutive Year

MELVILLE, N.Y. and DAVIDSON, N.C., June 23, 2020 /PRNewswire/ -- For the fourth consecutive year, *IDG's Insider Pro* (<https://www.idginsiderpro.com>) and *Computerworld* (<http://www.computerworld.com>) named MSC Industrial Supply Co. (NYSE: MSM) among the Best Places to Work in IT as one of the 100 top organizations that challenge their IT staffs while providing great benefits and compensation. MSC, a premier distributor of Metalworking and Maintenance, Repair and Operations (MRO) supplies and services to industrial customers throughout North America, ranked No. 35 among large organizations on the list.

MSC's continual investment in IT solutions leverages custom-developed applications, best-of-breed commercial software and the latest technology like cloud computing, artificial intelligence and big data analytics and provides challenging and rewarding career opportunities for IT team members.

"It's an honor to once again be considered among the best in providing our IT associates ongoing learning and development opportunities and hands-on training so that their skills remain current and relevant," said Charlie Bonomo, Senior Vice President and Chief Information Officer for MSC. "Being recognized as a Best Place to Work in IT for the fourth year in a row is a wonderful acknowledgment of the positive work environment created by associates across our organization as well as the outstanding work performed by our IT team, especially over the past several months as they've enabled many of our associates to work remotely, safely and productively during the coronavirus pandemic."

"As technology continues to evolve more rapidly than ever, attracting and retaining top IT talent to research, deploy and maintain that technology has never been more important or more challenging," said Mark Lewis, VP Audience Development at *IDG's Insider Pro*. "Companies that have earned a spot on the Best Place to Work in IT list share a common denominator: They create an environment that not only rewards workers with competitive compensation and benefits, but they also foster a spirit of diversity, social responsibility, training and innovation."

About MSC Industrial Supply Co.

MSC Industrial Supply Co. (NYSE:MSM) is a leading North American distributor of metalworking and maintenance, repair, and operations (MRO) products and services. We help our customers drive greater productivity, profitability and growth with more than 1.7 million products, inventory management and other supply chain solutions, and deep expertise from over 75 years of working with customers across industries.

Our experienced team of approximately 6,700 associates is dedicated to working side by side with our customers to help drive results for their businesses - from keeping operations running efficiently today to continuously rethinking, retooling, and optimizing for a more productive tomorrow.

About the Best Places to Work in IT

The Best Places to Work in IT list is an annual ranking of the top 100 work environments for technology professionals by Insider Pro and Computerworld. The list is compiled based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development, training and retention. In addition, IDG conducts extensive surveys of IT workers, and their responses factor heavily in determining the rankings.
