### **Cautionary Note Regarding Forward-Looking Statements**

Statements in this press release may constitute "forward-looking statements" under the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, that address activities, events or developments that we expect, believe or anticipate will or may occur in the future, including statements about the future impact of COVID-19 on our business operations, results of operations and financial condition, expected future results, expected benefits from our investment and strategic plans and other initiatives, and expected future growth, profitability and return on invested capital, are forward-looking statements. The words "will," "may," "believes," "anticipates," "thinks," "expects," "estimates," "plans," "intends," and similar expressions are intended to identify forward-looking statements. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those anticipated by these forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The inclusion of any statement in this press release does not constitute an admission by MSC Industrial or any other person that the events or circumstances described in such statement are material. Factors that could cause actual results to differ materially from those in forward-looking statements include the following, many of which are and will be amplified by the COVID-19 pandemic: the effects of the COVID-19 pandemic, including any future resurgences, on our business operations, results of operations and financial condition; general economic conditions in the markets in which we operate; changing customer and product mixes; competition, including the adoption by competitors of aggressive pricing strategies and sales methods; industry consolidation and other changes in the industrial distribution sector; our ability to realize the expected benefits from our investment and strategic plans, including our transition from a spot-buy supplier to a mission-critical partner; our ability to realize the expected cost savings and benefits from our restructuring activities and structural cost reductions; retention of key personnel and qualified sales and customer service personnel and metalworking specialists; volatility in commodity and energy prices; the outcome of government or regulatory proceedings or future litigation; credit risk of our customers; risk of customer cancellation or rescheduling of orders; difficulties in calibrating customer demand for our products, in particular personal protective equipment or "PPE" products, which could cause an inability to sell excess products ordered from manufacturers resulting in inventory write-downs or could conversely cause inventory shortages of such products; work stoppages or other business interruptions (including those due to extreme weather conditions) at transportation centers, shipping ports, our headquarters or our customer fulfillment centers; disruptions or breaches of our information systems, or violations of data privacy laws; risk of loss of key suppliers, key brands or supply chain disruptions; changes to trade policies, including the impact from significant restrictions or tariffs; risks associated with opening or expanding our customer fulfillment centers; litigation risk due to the nature of our business; risks associated with the integration of acquired businesses or other strategic transactions; financial restrictions on outstanding borrowings; our ability to maintain our credit facilities; interest rate uncertainty due to LIBOR reform; failure to comply with applicable environmental, health and safety laws and regulations; ability to estimate the cost of healthcare claims incurred under our self-insurance plan; and goodwill and intangible assets recorded as a result of our acquisitions could be impaired. Additional information concerning these and other risks is described under "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our annual and quarterly reports on Forms 10-K and 10-Q, respectively, and in the other reports

and documents that we file with the U.S. Securities and Exchange Commission. We expressly disclaim any obligation to update any of these forward-looking statements, except to the extent required by applicable law.
